

## ACADEMIC OTOLOGIST | NEUROTOLOGIST – DEPARTMENT OF SURGERY

**Posting Date:** January 26, 2024

**Position profile** – Saskatchewan Health Authority and University Saskatchewan, Department of Surgery, Division of Otolaryngology, Head & Neck Surgery seek a full-time otolaryngologist with clinical and research interests in adult otology and neurotology. Responsibilities will include patient care, teaching, and research. The successful applicant will have appointments in both the Saskatchewan Health Authority and the Department of Surgery at the University of Saskatchewan.

The position is based at Royal University Hospital in Saskatoon. This is the only Cochlear Implant center for Saskatchewan. The successful applicant will be required to work collaboratively with the Divisions of Otolaryngology – Head and Neck Surgery and Neurosurgery. The individual will be required to provide excellence in patient care, teaching and research. Clinical or translational research interests are supported. The academic rank will be commensurate with expertise and training. The successful candidate will participate in undergraduate and postgraduate education and multidisciplinary research programs.

The anticipated start date of this appointment is as soon as possible.

**Compensation details** – AFP Contract position

**Benefits** – Benefits are the responsibility of the successful candidate.

**Location of practice** – Royal University Hospital, Saskatoon, Saskatchewan

**Language of work** - English

**Qualifications/Requirements of the position** – Preference will be given to candidates with Canadian Royal College Certification or eligibility for certification in Otolaryngology and Canadian Otologist/Neurotologist Fellowship training.
