

Otolaryngology – Head and Neck Surgeon (Locum)

Job Details

Vacancy #: 2024-25-270371

Number of Vacancies: 1

Vacancy Opening For: Specialist

Employment Type: Temporary

Employment Term: Locum

Job Description

The Saskatchewan Health Authority (SHA) is seeking a team-oriented and professional general Otolaryngology Head and Neck Surgeon (FRCSC) Locum to join our dynamic and expanding division in Regina, Saskatchewan. The specialist will join as an independent locum, with fee-for-service and contract options available. The contracted rate is \$3,200 per day. The SHA will cover travel and accommodation expenses. Regina's Otolaryngology division includes excellent specialists with diverse sub-specialty interests.

Otolaryngology services are based out of the Regina General Hospital, the regional trauma centre representing all major surgical specialties and general pediatrics.

General ENT call coverage is a shared requirement and is currently 1:5. Successful candidates are eligible for any on-call retainer consistent with the Specialist Emergency Coverage Program.

The SHA is dedicated to continued learning and partners in the educational needs of medical students and residents from the College of Medicine, University of Saskatchewan. The Department of Surgery has distributed training sites in Saskatoon and Regina.

The successful applicant is expected to participate in undergraduate, postgraduate, and continuing medical education programs of the Department of Surgery in the Regina Area.

Job Qualifications

Successful candidates must hold certification in Otorhinolaryngology – Head and Neck Surgery from the Royal College of Physicians and Surgeons of Canada and be eligible for provisional or regular licensure with the College of Physicians and Surgeons of Saskatchewan.

The successful candidate must demonstrate strong teamwork and communication skills and be able to function effectively in a high-volume environment with a commitment to high-quality, patient- and family-centered care.

All qualified candidates are encouraged to apply; however, in accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

The Saskatchewan Health Authority (SHA) requires a criminal record check (CRC) dated within the past six (6) months and satisfactory to the SHA. A vulnerable sector check (VSC) is required for individuals providing care to vulnerable persons.

The SHA is committed to building a representative, diverse, inclusive and culturally responsive workforce. We acknowledge Saskatchewan as the traditional territory of First Nations and Métis people and are committed to the Truth and Reconciliation Calls to Action.

The start date for this position is negotiable. Applications will be accepted until the position is filled.

Community Description

Regina is the capital of Saskatchewan, Canada, and a beautiful oasis on the prairies with a steadily growing population exceeding 271,000. Regina was ranked 17th nationally in Maclean's Best Communities in Canada 2021, scoring well in affordability, commute times, and access to amenities. From 2021–2024, Regina achieved an impressive population growth rate of approximately 19.7%. Known for its welcoming community and strong civic pride, Regina offers abundant parks, sports and recreational facilities, bicycle pathways, family attractions, and an exceptional quality of life. Regina has also been designated a 'Tree City of the World' by the United Nations for two consecutive years.
