ENT Surgeon – Facial Cosmetic Surgery

Clinic 360 is an established private surgical centre located in central Toronto, specializing in plastic, cosmetic, and bariatric surgery. Operating since 2013, our clinic is looking to expand its surgical team with the addition of an ENT surgeon specializing in facial cosmetic surgery.

We offer a modern, fully equipped surgical facility with an experienced multidisciplinary team and a supportive environment for physicians looking to establish or expand their private surgical practice.

Opportunities:

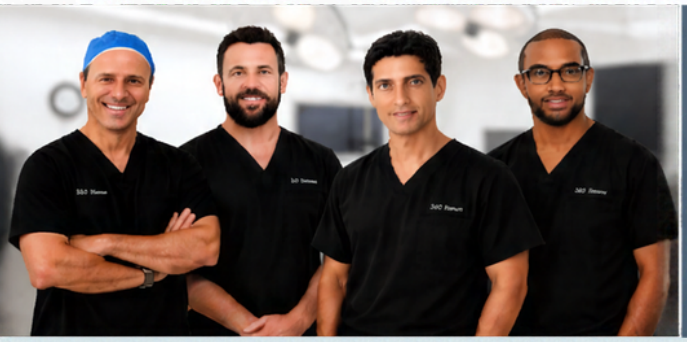

- **Independent Private Practice:** Access our fully equipped surgical facility and operating rooms to perform procedures on your own patients, with flexible scheduling and competitive facility fees.
- **Surgical Care for Clinic 360 Patients:** Collaborate with our team to provide consultations and perform facial cosmetic surgery for patients referred through Clinic 360.

What Clinic 360 Offers:

- Flexible operating room scheduling
- Two state-of-the-art operating rooms
- Experienced anesthesiologists, and nursing teams
- High standards of patient safety and surgical care
- **Dedicated, trained front-office staff and clinic management**
- **Competitive facility fees and a flexible practice arrangements**

Candidate Requirements:

- Valid licence with the College of Physicians and Surgeons of Ontario (CPSO)
- **Royal College certification in Otolaryngology – Head and Neck Surgery (FRCSC)**
- **Experience and expertise in facial cosmetic surgery**
- **Eligibility to practise medicine in Canada**
