

Plastic Surgeon Opportunity

Join a transformative, thriving practice in Don Mills (Toronto, Ontario)

The Canadian Plastic Surgery Centre and Canadian Dermatology Centre, in partnership with GraceMed, is the largest comprehensive plastic surgery and dermatology centre in Canada. Our mission is to provide our patients with comprehensive board-certified dermatology and plastic surgery expertise under one roof and to provide customized plans of care for each patient, drawing from various modalities such as surgical interventions, lasers, injectables, and results-proven medical grade skincare products. We aim to deliver on this promise while helping our patients achieve results that are effective yet well-balanced and natural.

We are seeking plastic surgeons to join our team. We provide a fast-paced and vibrant atmosphere with a dedicated clinical support team and state-of-the-art equipment to ensure exceptional care.

This position provides the opportunity to work alongside a leader in our industry with Dr. Quinton Chivers, a board-certified plastic surgeon practicing in Toronto. With over 15 years of post-secondary medical education, including microsurgery fellowship, aesthetic fellowship and hair transplant fellowship, he is an expert with meticulous surgical techniques for body contouring, aesthetic surgeries, and hair transplantation. He combines his wealth of experience with genuine patient care and compassion and is sought out for these procedures in Toronto. This is a unique opportunity to learn from the best and step into an established practice with a fantastic reputation and presence in the region.

About the position

- Unique Minors Procedures practice set up to optimize both the patient and surgeon
- Opportunity to build major cosmetic surgery practice with high lead exposure
- Experienced and consistent physician extender support system
- Surgical coordination and patient scheduling throughout entire patient journey
- Competitive fee structure
- An exceptional work environment

Qualifications

- Doctorate in Medicine
- Must be eligible for licensure with the College of Physicians and Surgeons of Ontario (CPSO) in Plastic and Reconstructive Surgery
- Member of the Canadian Society of Plastic Surgery
- Membership with the Canadian Medical Protective Association (CMPA)
