

**Full-Time Otolaryngology – Head & Neck Surgeon
Penticton, British Columbia
Start Date: January 2027 (flexible)**

Join a thriving and well-established Otolaryngology–Head & Neck Surgery community in Penticton, British Columbia.

We are seeking a full-time Otolaryngology–Head & Neck Surgeon to provide care to Penticton and the surrounding South Okanagan region. The successful candidate will have the opportunity to join an existing, busy community-based ENT practice, or alternatively establish an independent office practice based on their individual interests and goals.

This opportunity offers a rewarding combination of a strong clinical practice, supportive working environment, and exceptional lifestyle in one of British Columbia’s most desirable regions.

Practice Highlights

- Established and high-volume community ENT practice with strong referral patterns
- Efficient and well-supported clinical infrastructure
- Access to ample dedicated surgical and ambulatory care resources to support practice growth and patient access
- Shared participation in a 1-in-4 on-call schedule
- Opportunity to develop a comprehensive and rewarding practice across a broad spectrum of Otolaryngology care
- Collaborative and collegial environment within a supportive medical community.

Lifestyle Highlights

Penticton offers a unique blend of natural beauty and vibrant community life. Located in the heart of British Columbia’s Okanagan Valley, the city is surrounded by two stunning lakes framed by mountains and vineyards.

Enjoy:

- World-class wineries and award-winning culinary experiences
- Beautiful beaches and lakefront recreation
- Four-season outdoor activities including skiing, climbing, hiking, cycling, golf, and more
- A thriving arts and cultural scene
- Excellent schools, amenities, and family-friendly neighbourhoods
- A welcoming and close-knit community

Penticton is a place where lifestyle and opportunity meet.

Qualifications

Applicants must have:

- Current licensure, or eligibility for full licensure, with the College of Physicians and Surgeons of British Columbia
- Certification from the Royal College of Physicians and Surgeons of Canada (RCPSC)

Start Date

January 2027, with flexibility for the right candidate.

If you are seeking a fulfilling clinical opportunity combined with an exceptional quality of life, we welcome your interest in joining our community. Please contact Dr. Bree Harris (OTOHNS): dr.breeharris@gmail.com.
