

Lakeridge Health

With 5 hospitals, 4 emergency departments, 3 critical care units, a long-term care home, a full range of medical and surgical specialties, more than 20 community health-care locations and a state-of-the-art surgical centre within the Jerry Coughlan Health & Wellness Centre, **Lakeridge Health** offers some of the broadest and most comprehensive acute care, ambulatory care, and long-term care services in Ontario.

Lakeridge Health **surgical team** includes specialists in General Surgery, Gynecology, Gynecologic Oncology, Ophthalmology, Oral Maxillofacial Surgery, Orthopedics, Otolaryngology – Head and Neck Surgery, Plastic Surgery, Thoracic Surgery, and Urology. We also have access to Vascular Surgery services from Peterborough Health Sciences Centre. Both Oshawa and Ajax-Pickering hospitals are supported by comprehensive Emergency Department (ED), Intensive Care Unit (ICU), and Radiology/Interventional Radiology teams.

Lakeridge Health is redefining the future of health care through transformative research, dynamic academic partnerships, and ground breaking clinical trials. With over 140 active studies, we're at the forefront of advancing medical knowledge, expanding treatment options, and improving the lives of our patients. Our one-of-a-kind Queen's-Lakeridge Health MD Family Medicine Program is at the forefront of training the next generation of primary care doctors. Each year, over 3,000 students and trainees are supported by the Lakeridge Health Education and Research Network (LHEARN). There are opportunities for Adjunct Faculty appointments at both the University of Toronto and Queen's University as well as educational and research activities for those who are interested.

Otolaryngology – Head and Neck Surgery:

Ajax-Pickering Hospital

The Division of Otolaryngology – Head and Neck Surgery (OHNS) is seeking a dedicated surgeon to join our team at Ajax-Pickering Hospital.

The successful candidate will become part of a call pool comprising 6.5 full-time equivalent (FTE) members, providing coverage across Lakeridge Health's network,

which includes 4 acute care sites, 1 chronic care site, and 1 ambulatory care site. Emergency Department (ED) coverage is provided at both Oshawa and Ajax-Pickering hospitals, with patients from other sites directed to these locations for ED services.

The new surgeon will join the existing team of 2.5 FTE OHNS surgeons at the Ajax site (6.5 FTE surgeons across the corporation). Operating room time will be allocated equitably at both Ajax-Pickering Hospital and the Jerry Coughlan Health and Wellness Centre's ambulatory surgical centre. The role includes providing comprehensive general OHNS services.

Qualifications:

- FRCSC certification.
- Eligibility for licensure to practice in Ontario.
- Completion of a recognized Otolaryngology-Head and Neck Surgery residency program.

Position Details:

- **Start Date:** Negotiable, with a preferred start date of July 1, 2025.
- **How to Apply:** Interested candidates are invited to submit a CV and Cover Letter to mdcv@lh.ca (Attention: Dr. Artur Gevorgyan – Division Head).
- **Application Deadline:** Applications will be accepted until the position is filled.

Lakeridge Health will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact the Medical Affairs Office at mdcv@lh.ca. Accommodation will be provided in all parts of the recruitment and assessment process in accordance with the Accessibility for Ontarians with Disabilities Act (AODA). Applicants need to make their needs known in advance.

At Lakeridge Health we value inclusion and diversity. We are committed to fostering a culture that is respectful, inclusive and accessible and to employing a workforce that is representative of the diverse community we provide services to. As an equal opportunity employer, we welcome applications from all qualified applicants.

Lakeridge Health is committed to providing a safe and healthy work environment and to preventing the transmission of COVID 19 infections among Lakeridge Health team members and our patients. New Lakeridge Health team members will be required to provide proof of full vaccination for COVID-19 during their Post-offer/Pre-employment Health Assessment, subject to any exemptions recognized under the Ontario Human Rights code.
