

General Otolaryngology – Head & Neck Surgery Locum Position

Providence Health Care, Vancouver, BC

We are currently seeking to recruit a team-oriented professional to provide locum coverage for a General Otolaryngologist-Head and Neck surgeon, starting October 2026 for approximately 6 months. The practice is based out of a new, fully equipped outpatient clinic space in Vancouver, with 2 OR days at Mount St. Joseph Hospital and 1 day of ambulatory procedure clinic time at St. Paul's Hospital per month. Call requirements are divided among a large group of surgeons and would entail approximately 2 weeks of coverage over the 6-month period. Academic involvement in training residents and medical students is encouraged. You would be joining a welcoming, collaborative group of faculty and trainees, with the full breadth of subspecialty support available as needed.

Job Requirements:

- Licensure (or eligibility) with the College of Physicians and Surgeons of British Columbia
- Completion of post-graduate training in Otolaryngology-Head and Neck Surgery with FRCSC achievement

Interested candidates are invited to contact Dr. Grace Yi for further information and next steps: grace.yi@phc.ca.
