Penticton Regional Hospital is currently looking for an Otolaryngologist to join its existing group of two Otolaryngologists.

Applicants must have completed specialty qualifications from the Royal College of Physicians and Surgeons of Canada and be independently licensed or eligible for licensure in British Columbia. PRH is seeking a full-spectrum Otolaryngologist either full-time or part-time who is proficient in both adult and pediatric care in addition to managing head and neck cutaneous malignancies. The successful individual will assume a fee-for-service position in a collegial work environment, joining our busy clinics. The position includes clinic and OR time in PRH, Summerland Health Care Center, as well as access to an outpatient procedure clinic. The applicant is expected to participate in the local call group which is 1 in 4.

The Penticton Regional Hospital (PRH) is in the South Okanagan health service area and responsible for providing core medical and surgical specialty services to patients throughout its area. Located in Penticton, between Kelowna and Oliver, PRH offers services including 24-hour emergency and trauma services, acute services, ambulatory and outpatient clinics, and diagnostic/paramedical services. The facility is fully equipped with newly built operating rooms with navigation system and NIM monitor. Penticton itself is a growing, vibrant town with direct access to outdoor activities (world-class rock-climbing, biking, hiking, and skiing) in its picturesque surroundings all year round.
